

Online Training Solutions

Has there been a time in the last few months when you wanted to shout

"OH, BEHAVE!!!!"

Debt crisis? NFL or NBA strike? Something happen at work?

Perhaps the problem is people not having the skills or knowledge they need to resolve issues. They've never learned how to handle conflict, negotiate, or communicate.

FirstNet Learning offers over 2,500 online training courses in a variety of topics from health and safety to business skills to human capital to computer skills, and much more. Our team has put together a list of courses for supervisors, managers, and employees that will teach the skills needed to resolve various issues.

We added 'Basics of Business Math' just for fun!

Conflict Management

Dealing With Difficult People

Workplace Violence

Motivating Team Members

Negotiating With Confidence

Managing Change

Business Ethics

Teams That Work

Basics of Business Math

Whether you have just yourself to train or 1 million, or any number in between or greater, you'll find **FirstNet Learning** to be the most affordable online learning solution.

Since 1999 **FirstNet Learning** has been using technology to develop, deliver, and manage innovative learning that helps clients increase knowledge, reduce risk, and improve performance. FirstNet Learning is a leading provider of affordable online learning solutions, including turnkey, customer-branded universities serving both for for-profit and non-profit businesses, state-wide risk sharing pools, insurance providers, and universities.

Partnering with these organizations, FirstNet Learning provides critical training to thousands of organizations, including over 10,000 municipalities across the United States.

FirstNet Learning offers an extensive catalog of more than 2,500 online courses focused on human capital management, risk management, law enforcement, driver safety, health & safety, productivity, business skills, pc desktop skills, and more.

FirstNet Learning also custom develops courses, tailors existing online courses, and converts courses from classroom to online.
